absia@absia.asn.au

Contract and funding

- funding secured from ATO
- reviewed by both legal sides
- contract near signing

Project outline

- high level design has begun by Do consulting
- parallel proof of concept for income tax developers
- special interest group EOI to be sent mid March post signing of contract
 - expected 4 months build time

Proof of concept

- ATO looking to bring approximately 1500 paper lodging tax agents
- Partnering with ATO to deliver Income tax product listing and concept tool to assist agents in selecting income tax lodgement product
 - Proof of concept to be run in March
