Annual Tax Bill Consultation

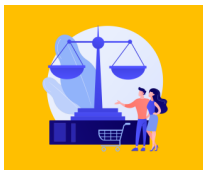

The Chair of the Finance and Expenditure Committee is calling for submission on the Taxation (Annual Rates for 2024-25, Emergency Response, and Remedial Measures) Bill. Learn more about the proposed changes in the bill and access additional information [here](#). Submissions close on 9 October.

Do you have feedback on the annual tax bill that you would like to raise in a DSPANZ submission? [Contact us](#) to provide your feedback or get involved in drafting a submission.

Holidays Act Targeted Consultation

DSPANZ is participating in the targeted consultation on the Holidays Act reforms. We are interested in hearing member's views on potential changes and how these could be delivered in software. If you want to provide feedback, [please contact us](#) and we will get you involved. Learn more about the ongoing [Holidays Act reform here](#).

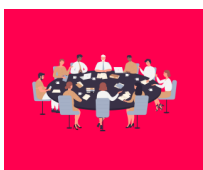

Consumer Data Right for the Banking Sector

MBIE is currently consulting on the regulations and standards for open banking under the customer and product data bill. The discussion paper is seeking feedback on the following:

- Scope of designated regulations
- Accreditation criteria for accredited requestors
- Appropriate fees and relevant standards
- Costs, benefits and risks associated with an open banking designation.

Learn more about the consultation and access the discussion paper [here](#). Submissions close on 10 October at 5pm.

Digital Advisory Group Minutes

The minutes from the last Digital Advisory Group (DAG) meeting on 22 August are now [available on our website here](#). Learn more about the [DAG here](#).

Digital Advisory Group - Get Ready to Express Your Interest for 2025

In October, we're opening the expressions of interest to join the Digital Advisory Group (DAG) in 2025. The DAG is a representative advisory group co-chaired by Inland Revenue and DSPANZ. Keep an eye out for this announcement on our website and LinkedIn. If you want to learn more about the DAG, [take a look here](#) or [reach out](#).
